ARTIST'S STATEMENT

The work you see is a fragment, and incomplete part, of a journey that I have begun. This is the initial passage, my beginning of an exploration of the figure combined with architecture or simple environments. I am searching for something spiritual and peaceful, yet these figures still reflect an uncertainty or angst or sadness at times. Those are the relationships that I find fascinating and inspiring—the duality of old and new, peace and fear, ruins and rebirth.

A new memory of
 an old beautiful path
 awaits
with strong limbs
 knowing hands
 awakened eyes.

A sense of searching for
 a peaceful setting
 lingers
among water-filled vessels
 crumbling walls
 earth-bound stairs.

A message is in the journey
 you will find it
 speaks
through something quiet
 something watchful
 a look
 a door
 a soul.

This exhibition is the final visual presentation for the degree of Master of Fine Arts in Sculpture
